See note below from TSM in Section 14. We still seem to be having a problem with the posters at retail--please insure that during the blitz efforts posters are updated weekly. Also, lets consider having GMR staff have leave behind copies of the club list to make available to retailers if they ask for specifics. We're obviously out there, but people don't know where! As the program has a short time frame, time is of the essence! Your help is appreciated.

The reason Diane is calling is because there are Parliament party zone posters being distributed and she would like to know where the events are taking place, dates/times. She explained that she needs this info asap - people are asking her questions. Diane can be reached by vmx at 800-382-5576 - 140803

Thanks - D
